Corporate and Business Transactions

Richards Kibbe & Orbe LLP advises clients across a wide spectrum of corporate and business transactional activities. Our practice reflects the Firm's financial sector focus, encompassing derivatives; distressed debt and claims trading; investment management; lending transactions; mergers and acquisitions; private equity transactions; restructuring and bankruptcy; securities transactions; tax; and general corporate advice. The collaborative and interdisciplinary nature of our practice enables us to meet the specific needs of our clients by building teams across sub-practice groups and offices. RK&O's corporate and business transactions clients include hedge funds and other private investment funds, trading desks, investment banks and other financial institutions, and financial industry organizations.
