Brian Fraser and Shari Brandt present "What Litigators Need to Know About Dual Representation and Potential Conflicts of Interest During Internal Investigations - Understanding the Impact of *United States v. Nicholas*"

September 29, 2009

Webcast

On Tuesday, September 29, 2009, Richards Kibbe & Orbe partners Brian S. Fraser and Shari A. Brandt presented a webcast entitled "What Litigators Need to Know About Dual Representation and Potential Conflicts of Interest During Internal Investigations - Understanding the Impact of *United States v. Nicholas*." The webcast covered critical steps that lawyers should take when conducting internal investigations, key considerations before undertaking a dual representation of a corporate client and one or more employees, as well as how to protect the firm and corporate clients when undertaking a dual representation.
