Neil Binder and Michael Friedman present "Analysis of Claims against BP arising from Gulf of Mexico Disaster" hosted by the Susquehanna Financial Group

June 17, 2010

New York, NY

On Thursday, June 17, 2010, Richards Kibbe & Orbe LLP partners Neil S. Binder and Michael Friedman participated in a panel discussion hosted by the Susquehanna Financial Group. Mr. Binder and Mr. Friedman discussed the various categories of claims that are likely to be asserted against British Petroleum, the process that would likely be employed to resolve such claims and how such claims would be treated in any bankruptcy proceeding commenced by British Petroleum or its US subsidiaries.
