William Barry quoted in *The Wall Street Journal Law Blog* article "The 'Catch 22' Bust: Some Early Takeaways for FCPA Junkies"

The Wall Street Journal Law Blog

January 26, 2010

Richards Kibbe & Orbe LLP partner William P. Barry was quoted in *The Wall Street Journal Law Blog* article "The 'Catch 22' Bust: Some Early Takeaways for FCPA Junkies," which discusses the rapid rise in Foreign Corrupt Practices Act prosecutions targeting individuals, and what this means for companies with cross-border business. Mr. Barry describes the importance of having a compliance program in place to reduce risks associated with conducting business with foreign entities.
