## William Barry quoted in the *Silicon Valley Mercury News* article "HP Investigation Sheds Light on Challenges of the Modern Businessworld"

*Silicon Valley Mercury News*

April 18, 2010

On April 18, 2010, Richards Kibbe & Orbe LLP partner William P. Barry was quoted in the *Silicon Valley Mercury News* article "HP investigation sheds light on challenges of the modern businessworld." Mr. Barry was cited as a Foreign Corrupt Practices Act expert and commented on the ramifications of the Hewlett-Packard FCPA investigation for companies with cross-border business, including the importance of anti-bribery compliance procedures and training.
