## "Distress in the United States Public Finance Market?" by Jon Kibbe and Brian Fraser

June 17, 2010

Recent commentary suggests growing unease about the possibility of default by issuers of state, municipal and instrumentality bonds. In this memorandum, Richards Kibbe & Orbe LLP partners Jon Kibbe and Brian S. Fraser describe the current concerns in the public finance debt market and explore basic issues to consider before investing in distressed public finance debt.
